

Interview scorecard

FREE TEMPLATE

Use it for every mock. Have the interviewer fill it in, not you.

Score each area 1-5. 1 = not there yet, 3 = solid, 5 = would advance. A pass is 3+ in every area and 28+ overall.

Interview scorecard

Behavioral story 1	Specific situation, "I" not "we," a result, a real lesson.	
Behavioral story 2	A different story, matched to the question asked.	
Why field / why firm	The 3 buckets, with names or details from real conversations.	
Technical or case	Structure first, reasoning out loud, correct fundamentals.	
Recovery under pressure	Handles a blank or a curveball calmly; no bluffing.	
Listening & conversation	Answers the question asked; builds on the interviewer's words.	
Questions for the interviewer	Two or three specific, researched questions.	
Presence	Pace, filler words, posture, camera or room setup.	
Close	Clear thank-you, confident finish, follow-up sent within hours.
